

### 1 Teaching and whole school strategies

- Here you could detail some whole school approaches and strategies
- Also year group specific work such as phonic intervention work, year 6 key skills support, etc

### 2 Targeted academic support

- This could include strategies employed for target groups – PP, SEND, anything from the national tutoring programme if you are accessing that.

### 3 Wider strategies

- This could reflect more creative approaches that have been used – maybe including “recovery” curriculum approaches, attendance, behaviour, SEMH support
