

## Message from the Headteacher

### Farewell

We will be saying farewell to Mrs Peniston and Mr Bullows at Easter time. Mrs Peniston has been with us at St Paul's for 21 years and has worked in a number of roles across school. She will have been the person you first met at the school office or whose voice you first heard when phoning school. She has given tremendous service to all at St Paul's and she will be greatly missed. Mr Bullows will be starting a well-earned retirement. He has worked as a teaching assistant at school for the past seven years. Prior to this, he worked as a football coach across the area and with us at school. I would like to thank him for all the fantastic work he has done in school in his current role and also for the work, he has done across the local area. We will miss him greatly.

### Contacts and Consents forms

If you have not yet returned the contacts and consent forms that we sent earlier this term can you please complete and return them to school before Friday 5<sup>th</sup> April. It is essential that we have up to date information. Thank you for all the forms sent back so far.

### New School App, Website and Twitter Feed

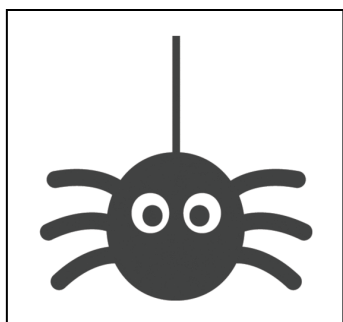

We will be launching our new school app in May. In order to get it up and running we ask that you download the app now. (See the reverse of the newsletter for more information). Our new school website will go live in May. We will also be starting a new school twitter feed. Information on our new twitter handle and how to follow us will be coming soon.

**May I take this opportunity to wish you a happy and peaceful, Easter.  
Thank you for all your help and support this half term.**

## New School App (Launching Soon)

Can you please...

- Search for the school spider app and download it to your phone/tablet, by searching with the words, **school spider**.

- From the list of schools, scroll down and find, St Paul's CE Primary School, Stalybridge (click on our school).
- There maybe a few whole school messages that will start to appear
- At a later date we will send home emails with parental, log ins (by activating these, the communication you receive will start to become more directed in regards to your child and their class).
- In order for us to send you these emails, we need you to complete and return the school spider letter that will follow later this week.
- We will still be running our current app until we get the school spider app set up.
