Dear Families

There is a lot of talk in the news about schools and how and when they will reopen. At this time, we are all awaiting the announcement of the governments, road map to easing lockdown. Whatever is announced it is clear that this will be a step-by-step, phased approach, based on safety and well-being for all. In the meanwhile, we will continue to provide different ways to support learning at home, but as I said last week, please do not put yourself under too much pressure in regards to home learning. Do not feel you have to do everything, do what is best for you and your family.

The teachers have loved hearing from those of you in classes 2-10 through 2email and in class 1 through their email class1photos@cdatstpaulsprimary.co.uk . If you have not yet had a chance to email, there is further guidance on how to do this in the learning at home, keeping in touch with your teachers section of the website. <https://www.st-paulsstalybridge.co.uk/page/keeping-in-touch-with-teachers/69904>
